

YEAR 2024

Sl no.	Title of Project	Principal Investigator	Nature of Project	Date of IEC Approval
---------------	-------------------------	-------------------------------	--------------------------	-----------------------------

1	Comprehensive Microbiota Analysis And UVC Intervention In Embalmed Cadavers: A Protocol For Anatomical Teaching And Preservation	Dr. Arghya Das, Tutor, Dept. of Anatomy, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
2	Morphometric Evaluation Of Radius And Ulna In Dry Adult Human Bone In The Tertiary Care Centre: A Cross-Sectional Study	Dr. Sanchita Roy, Asso. Prof, Dept. of Anatomy, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
3	Variations Of The Anterior Cerebral And Anterior Communicating Arteries-A Cadaveric Study In A Tertiary Care Centre In West Bengal	Dr. Sanchita Roy, Asso. Prof, Dept. of Anatomy, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
4	Evaluation Of Circulus Arteriosus And Its Clinical Importances	Dr. Sanchita Roy, Asso. Prof, Dept. of Anatomy, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
5	Metacognitive Awareness And Motivation To Learn Among Medical Students: A Cross Sectional Study In Eastern India	Dr. Srijoni Chowdhury, RMO cum Clinical Tutor, Dept. of Gune & Obs, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
6	Assessment Of Knowledge, Attitude And Practice Of Professionalism And Its Influencing Factors Among Nurses Working In DHGMCH	Mrs. Manasi Jana, Principal, GCON, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024

7	A Retrospective Clinic-Pathological Spectrum Of Severe Presentations In Hydatid Disease: A Case Series In An Endemic Area	Dr. Rathin Hazra, Asst. Prof, Dept. of Pathology, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
8	Knowledge Regarding Thalassemia And Transfusion Transmitted Infections Among Thalassemia Patients And Their Parents Attending A Tertiary Care Hospital In South 24 Parganas	Dr. Tapan Kumar Mondal, Asst. Prof, Dept. of Micro-Biology, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
9	A Study On Identification Of Non-Tuberculous Mycobacteria (NTM) And Their Drug Resistance Pattern From Pulmonary, Extrapulmonary And Chronic Wound Samples Of Patients Attending A Tertiary Care Hospital In South 24 Parganas.	Dr. Subhenjit Ray, Demonstrator, Dept. of Micro-Biology, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
10	A Randomized, Double Blind, Cross Section Study To Compare Effectiveness Of Intrathecal Fentanyl Versus Intrathecal Tramadol For Prevention Of Post-Spinal Shivering In Parturient Mothers Undergoing Emergency Cesarean Section Under Spinal Anaesthesia	Dr. Bhabotosh Makhhal, RMO cum Clinical Tutor, Dept. of Anesthesiology, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
11	A Comparative Study Of Gender Differences In Palatal Rugue Patterns Among Bengali Subjects In Kolkata & South 24 Parganas-A Cross Sectional Study	Dr. Moumita Nayek, Asso. Prof, Dept. of Dentistry, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024

12	Occupational Zoonoses: A Mixed Method Study In Southern Bengal,India	Dr. Debdutta Halder, , Assistant Professor, Dept. of Community Medicine, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
13	A Delphi Method: Identifying Trends Among Young Adults In Taking HPV	Dr. Debdutta Halder, , Assistant Professor, Dept. of Community Medicine, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
14	Coverage & Compliance To Albendazole Therapy Against Soil Transmitted Helminths Under National Deworming Day Programme: A Community Based Epidemiological Study In Sundarbans Area Of West Bengal	Dr. Sumanta Chakraborty, Assistant Professor, Dept. of Community Medicine, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
15	A Chronological Approach To Decipher The Covid 19 Pandemic	Mr. Debasis Das, Research Assistant, VRDL Lab, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
16	Detection Of HPV Infection Among Reproductive Age Group Women Attending Gynae & Obs Department: A Peripheral Hospital Based Observational Study	Dr. Pratiti Datta, Research Scientist (B) Medical , VRDL Lab, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
17	Study On Pregnancy With Thalassemia And Its Correlation With Fetomaternal Outcome	Dr. Nagavaram Haritha, DNB Post Graduate Trainee, Dept. of Gyne & Obs, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
18	A Cross –Sectional Study On Baseline Serum Electrolyte Levels In Newly Diagnosed Hypertensive Patients Admitted In A Tertiary Care Hospital Of West Bengal	Dr. Narayan Rajgopal Zanwar, DNB Post Graduate Trainee, Dept. of General Medicine, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
19	A Study On Early Versus Late Onset Of Gestational Diabetes Mellitus And Its Correlation With Fetomaternal Outcome In A Peripheral Tertiary Care Hospital Of West Bengal	Dr. Nilesha S More, DNB Post Graduate Trainee, Dept. of Gyne & Obs, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
20	An Analytical Study On Various Types Of Cerebro Vascular Accidents And Its Correlation With ABO Rh Phenotype In A Peripheral Medical College And Hospital In West Bengal	Dr. Rakhi Chakraborty, DNB Post Graduate Trainee, Dept. of General Medicine, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
21	A Cross Sectional Study On Clinico Demographic Profile Of Admitted Chronic Kidney Disease Patients In Peripheral Medical College Of West Bengal	Dr. Vineet Kumar, DNB Post Graduate Trainee, Dept. of General Medicine, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
22	Comparative Study Of The Clinical Features And Baseline Investigations In Patient With Acute Coronary Syndrome Below And Above At Age Of 45 Years In A Peripheral Medical College Of West Bengal	Dr. Mayank Singh Kanwar, DNB Post Graduate Trainee, Dept. of General Medicine, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024

23	A Cross Sectional Study On Clinical Spectrum & Aetiology Of Abnormal Uterine Bleeding In Reproductive Age Group Women According To The Two FIGO System In A Peripheral Tertiary Care Hospital Of West Bengal	Dr. Umme Habibah, DNB Post Graduate Trainee, Dept. of Gyne & Obs, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
24	A Study On Indication And Fetomaternal Outcome Of Caesarean Section In The Second Stage Of Labour At A Tertiary Care Hospital	Dr. Tousif Ahamed Peada, DNB Post Graduate Trainee, Dept. of Gyne & Obs, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
25	Assessment Of Causes And Outcomes Of Referred Obstetric Cases In A tertiary Care Hospital Of South Bengal, India: A Mixed Method Study	Dr. Joyeeta Bakshi, DNB Post Graduate Trainee, Dept. of Gyne & Obs, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
26	Viral Etiology, Nutritional Status And Clinico-Epidemiological Profile Of Hospitalized Children With Acute Respiratory Infection	Dr. Anurag Kumar Singh, DNB Post Graduate Trainee, Dept. of Paediatrics, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
27	Assessment Of Hearing Ability In Neonates With Hyperbilirubinemia By Oto Acoustic Emissions (OAE) And Brainstem Evoked Response Audiometry(BERA) At Peripheral Tertiary Care Hospital Of West Bengal	Dr. Maloy Kanti Purkait, , DNB Post Graduate Trainee, Dept. of Paediatrics, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
28.	Prevalence Of Dengue Serotypes In South 24 Parganas District And Its Correlation With The Laboratory Profile At A Peripheral Tertiary Care Hospital	Dr. Tapan Kumar Mondal, Asst. Prof, Dept. of Micro-Biology, DHGMCH, Diamond Harbour	In-house Individual self-funded	28-02-2024
